Ordering Information

All Online Personal Ads will be honored based on the purchased time frame, VIP Executive Matchmaking will still be offered until May 31, 2008, and TLC is committed to all tours until July 8, 2008. Tours after that date will be based on new ownership.

Due to IMBRA Legislation, TLC has suspended bulk address sales to Latin Women.

TLC is researching the possibility of selling individual addresses to single Latin women at www.latinwomensearch.com (when we can fully comply with IMBRA). In the meantime, you can still meet and marry the Latin woman of your dreams by pursuing one of the following:

1. Online Personal Ads (page 6)
2. VIP Executive Search (page 7)
3. World Famous Singles Vacations (pgs. 8 - 9)

TLC Will comply with IMBRA when a client utilizes these services. For more information regarding the IMBRA LAW, please visit our website @ www.tlcworldwide.com/newlaw
