

What's it Worth ?

What is finding a beautiful, loving and faithful wife worth to you ?

TLC Worldwide, Inc. strives to help those gentlemen who are willing to make an effort and take a chance at finding happiness. And, each year we are successful at helping hundreds of men attain their goals. These men have chosen action over complacency and excuses. And for them, their reward for finding their soulmate is truly "Priceless."

Since 1992, we have established ourselves as the World's #1 Latin Introductory Service. With over 5,000 happily married couples to our credit, we celebrate our 16th anniversary this year.

We know that many of you surfing the internet see a site like ours and exit after a few brief moments. You either don't believe that Latin women are interested in American men, or you cannot visualize yourself marrying a woman outside the USA. Basically, you are skeptical of this process of finding a life mate for one reason or another.

We would like to turn your skepticism into confidence! We are offering you our 80 minute DVD or Video "Singles Vacations to Latin America" FREE! All you have to do is pay the small \$5.00 shipping & handling charge. We will send the DVD or Video to you, along with other valuable information that could change your love-life forever. Act now, this is a limited time offer and could expire at any time.

Our success as the leader in Latin Introductions has spawned a host of smaller, no-name, less reputable imitators. Unlike some unscrupulous internet based companies who make false claims, TLC has a documented, ongoing 16 year history of productivity. Day after day, we hear clients (that have participated in one of our products) say that they wish they had started our program earlier. Take the first step and meet someone special.

TLC originated Singles Vacations to Latin America, and has the most destinations and the best social events.

Try Latin Women

Latin women offer many advantages because of their old fashioned values, sincerity, proximity, and religious backgrounds. They are also unpretentious, compatible, traditional, and of course - naturally beautiful. Each of the ladies contacting us actually prefers an American man for a serious relationship leading to marriage. We are viewed as honest, hardworking, and faithful. Participating male clients find themselves dating Latinas younger, prettier, and with fewer complications than domestic women. The vast majority of these intercultural marriages are successful, with divorce rates much lower than our national average over 60%.

Can't make a Singles Vacation?

Try our Online Personal Ads

This product works great for first-time clients and those wishing to communicate with ladies before attending one of our Singles Vacations. TLC will build you a custom web page and you'll appear on Caballeros.com where our newest Latin women members will see your profile, and interested ladies will write to you first. Every Online Ad includes your photograph, personal information (translated into Spanish), background information, and address. Only women will view your profile, after being reviewed by us and sent a password. This site is used exclusively throughout Latin America to recruit Single Latin women. This site is growing in popularity and already receives great traffic from Latin ladies.

We also recommend a Personal Ad for all mature men seeking ladies 35+. Most men receive 15 - 50 messages, others more.
