To Whom it May Concern,

16th Anniversary Issue

After 16 years of helping American men find romance and marriage with Latin ladies, the time has come for me to exit the International Romance Industry. I have accomplished more than I ever dreamed of, producing 47 magazines, over 50 videos, various websites, 'The Romance Zone, 410 page Guidebook to Latin Ladies', and numerous brochures and promotional items. The result of this hard work has resulted in thousands of satisfied clients and traditional, happily married couples. I believe that a few insightful companies and myself in the early nineties pioneered the groundwork for the popularity that exists today between American men and ladies living abroad. I have also traveled to numerous Latin American countries, gaining knowledge and experiences, friendships, and an appreciation for those things important to me along the way.

However, because of numerous considerations, I am choosing to leave this line of matchmaking work to explore other opportunities. My main goal is to spend more time with my family. I plan on making this complete transition by the end of this summer. In the meantime, I am strongly encouraging each of you, that may have procrastinated in the past, to take advantage of TLC Worldwide, Inc.'s famous products and services. All Online Personal Ads will be honored based on the purchased time frame, VIP Executive Matchmaking will still be offered until May 31, 2008, and all tours until July 8, 2008 will be under my direct supervision. Future tours after July 8, 2008 will be offered based on participation and 'Based on New Ownership' (B.O.N.O.). Rest assured that maintaining the quality of service and exceptional reputation of TLC Worldwide, Inc is paramount to me.

A listing of TLC company assets (primarily databases of men, women and websites) will be available at www.tlcworldwide.com/4sale.htm. Terms, descriptions and conditions of the sale will be available at this address online.

I wish to thank all of the previous clients for trusting TLC with your business. I also wish to thank some of the special people involved with TLC over the years, primarily the past tour directors (only four), camera men, videographers, employees, translators and all others who helped TLC become 'The Worlds #1 Latin Introductory Agency'.

Sincerely, and Adios,

Bruce White

President, TLC Worldwide Inc.

Dear Single Gentlemen,

Many of you may have experienced a certain frustration dating local women. You will have better fortune when considering a lady from a Latin American culture! Latinas (ladies of Latin America) differ tremendously from today's "modern liberated women" just as women of this country did 50 - 100 years ago. Latinas & traditional American men are a "natural-match" sharing value systems, family backgrounds, and expectations of marriage. Latinas are unpretentious, compatible, and of course - naturally beautiful. They are happy, uncomplicated women offering a second chance for happiness to many men.

Learn the secret that thousands of American men already know.

How can I get started? TLC offers the 3 effective methods below:

1. **Online Personal Listing** This product works great for first-time clients and those wishing to communicate with ladies before attending one of our Singles Vacations. TLC will build you a custom web page and you'll appear on Caballeros.com for 6 months for \$200, a year for \$300, or 2 years for only \$400. Our newest Latin women members will see your profile and interested ladies will write to you first. Every Online Ad Includes your photograph, personal information (translated into Spanish), Background Form, and address. Only women will view your profile, after being reviewed by us and sent a password. This site is used exclusively throughout Latin America to recruit Single Latin women. This newly upgraded site is growing in popularity and already receives great traffic. We also recommend placing a Online Personal Ad for all mature men seeking ladies 35 and older.

2. **Group Singles Vacations** No need for previous correspondence. 300 - 1,000 ladies per site with unlimited introduction possibilities. Witness this festive atmosphere by purchasing our **Singles Vacations DVD or Video** for \$5.00, which includes S&H. Don't be misled or confused. T.L.C. Worldwide, Inc. offers the most desirable ladies, better customer service, and the highest quality product - all at a better value. Our selection of beautiful, alluring & sincere Latin Ladies is unequalled. **Judge for Yourself.** For Introductions to Latin women, TLC is the Singles Vacations innovator, not an imitator.

3. **VIP Executive Search** Besides our ongoing advertisement and recruitment campaigns, we have boxes and boxes of available women, especially over the age of 35. These ladies are attractive, some with children, most who have never appeared in any previous TLC publications. We estimate that we have 4,000 women less than 2 years old that have never received any correspondence. We can help you with an executive, personalized search. Bruce White is personally involved with your search. See page 7.

Due to Federal Legislation, TLC is suspending bulk address sales to Latin Women living in Latin America. We can still offer Online PLs, Singles Vacations, and VIP Matchmaking while complying with IMBRA. Please complete the 'Client Background Form' (Page 10) when ordering.
