

Personal Listing Advertisements

☐ Online PL's are personal web pages good for 1 year and cost only \$200.

Men's Printed Personal Listings allow the gentlemen to be published in a brochure which is distributed to the Latin ladies in our programs free of charge. Interested Latinas contact you directly by letter to begin correspondence. Cost is only \$150.00

Each "Men's Personal Listing" is printed in Spanish and distributed to **nearly 2,000 ladies** applying for membership at TLC. These personal ads are shown to friends and family members which results in thousands of ladies seeking you.

This product works great for first-time clients and those too busy to initiate the letter writing process. We encourage all gentlemen purchasing any of our products to participate in the Men's personal listing.

TLC Worldwide Inc.'s Men's Listings are prepared bi-monthly to expedite responses. They are also published in full color. Most men receive 30 to 50 responses, others receive even more. Instead of only receiving bills and junk mail, our clients actually look forward to visiting their mail boxes. We have had men tell us that receiving responses helped boost their confidence and self-esteem. With a little luck, you may find your future lifemate in one of these letters!

To order, simply complete the information below and mail it along with a photo (smiling photos work best) and payment. We can use almost any photograph, but we recommend that the photo is current and a favorable depiction of you.
